## How do we protect and safeguard your information?

CEB is committed to protecting the security of your personal data. CEB uses a variety of security technologies and procedures to help protect your personal data from unauthorised access, use or disclosure. For example, CEB stores the personal data you provide on computer systems that have limited access and are in controlled facilities.

## How long do we keep your data?

CEB retains personal data for as long as you are in a formal relationship with the Bank.

## How can you verify, modify or delete your information?

Once your account has been created on the platform, you can log on at any time to view, modify or delete the information related to you.

The only data which you will not be able to modify is your professional email address, as this is used as your technical identifier to access to the platform.

## Right of recourse

You have the right to have recourse to the CEB Data Protection Commissioner ([dpc@coebank.org](mailto:dpc@coebank.org)) under Article 18 of the CEB Data Protection Regulations if you consider that your rights have been infringed as a result of the processing of your personal data.
